Fact Sheet/ Map View

Goals: Re brand all Sprint collateral to reflect updated branding following the Sprint purchase of Nextel. Upload re branded materials to on-demand collateral system.

Outcome: All legacy collateral updated and available to sales force within 60-days, ahead of schedule and under budget.

Summary: Our 17-year relationship with Sprint has afforded us the ability to know their needs and respond to organizational and market changes.

Sprint Choices

Network Map

Sprint Asian IP/MPLS Presence

* All nodes represent both Sprint and partner footprint. Sprint IP/MPLS Backbone Nodes indicate where Sprint has facilities-based assets. Regulatory authorizations and classifications of service and facilities vary from country to country. Labels used here are not meant to define regulatory status but merely to illustrate the technical capabilities of the Sprint IP Network.
